Hospital attendant chair

Accompany chair is for the patient's attendant in hospital, it can be fold as a chair in day time, while unfold as a bed in night, which saves space and is safe and reliable. The elegant arc-shaped armrests are ergonomically designed, comfortable and beautiful, and flexible to use.

CASTOR

High quality medical silent casters, 2" casters, anti-static electricity, protect the ground, waterproof and anti-bacteria. Two with brakes.

SPRING

Provides assistance for putting away the chair, making it easier to fold.

SAFE LOCKER SYSTEM

The safety lock can ensure that the chair will not be suddenly lowered when the chair is stowed. Improved safety and stability.

LEATHER

Wear-resistant, can be washed, the surface is more skin-friendly.

LUMBAR SUPPORT DESIGN

The waist is curved and ergonomic, providing support when sitting.

ARM REST

Frosted surface, anti-slip and durable.
