Swaddling Table

*Better care
Better comfort!*

MK-B08

SWADDLING TABLE

DESCRIPTION

The Swaddling Table MK-B08 is a specialized hospital baby swaddling station. It is designed to efficiently swaddle and organize newborns and provides a safe and comfortable space for newborns while ensuring seamless handling and care. Combining efficient swaddling capabilities with features like drawers, cabinets, and a baby dressing function can greatly enhance the care provided to newborns and make the workflow of hospital staff more streamlined.

FEATURES

- Powder spray structure
- Scrubbable Leather Surface allows for easy cleaning and disinfecting
- With 2 top drawers
- With 1 lockable cabinet
- Ergonomic Design provides a comfortable and practical workspace
- Raised Rails ensures maximum safety

STANDARD SPECIFICATION

Material	Powder spray
Drawer	2 pcs
Cabinet	1 pc
Size	100*60*100cm
Load capacity	20 KG

Storage Drawer

The Storage Drawer provides a convenient and organized space to store all the essential items required for swaddling. With ample room, it ensures easy access to swaddle cloths, blankets, and other necessary accessories, making the swaddling process efficient and seamless.

Storage Cabinet

The Storage Cabinet is designed to securely store the most crucial swaddling essentials. Equipped with a lock, it ensures the safety and confidentiality of these items.

Scrubbable Leather

The scrubbable leather surface allows for easy wiping and sanitizing, ensuring a clean and safe environment for newborns.

Reinforced Rubber Feet

Equipped with rubber-coated legs, these foot pedals offer enhanced anti-slip properties, ensuring a stable and secure footing, making it a reliable choice.

Raised Rails

The raised rails surrounding the table provide a protective barrier to prevent any possible incidents of a baby falling off. These safety features offer peace of mind to caregivers and ensure a secure environment for handling newborns during the swaddling process.
